

## FACULTY AND POSTDOCTORAL RESEARCHERS

Are you ALL INclusive?

Incorporating Broader Impacts and Diversity into your Proposals

McKenna Hall – January 12, 2017

The Office of the Provost, Foundation Relations, and ND Research invite you to attend a one-day conference and workshop on January 12, 2017 preparing you to address the questions of broader impacts and diversity in federal and private foundation proposals. If you are planning to submit a proposal to NSF, The Kresge Foundation, Howard Hughes Medical Institute, W.T. Grant Foundation, The W.K. Kellogg Foundation, or the Andrew W. Mellon Foundation, among other agencies, then you would benefit from this event. You will learn University demographics, community engagement/broader impacts requirements, and discipline-based case studies. The final breakout session will provide support for current proposals, so please bring copies with you. Lunch will be provided. Please RSVP by Dec. 15.
