

Limited Submissions Internal Application Instructions

<https://www.moore.org/initiative-strategy-detail?initiativeld=moore-inventor-fellows>

Your application for the internal competition should include:

1. Statement of invention (2 page limit, including citations; single-spaced, 12-point font with one-inch margins)

The first paragraph should describe clearly and without jargon the invention, the problem it seeks to address and its potential impact.

The statement of invention should also include the following information:

- Description of invention, stage of invention, feasibility, and current funding
- Importance to the Foundation's focus areas (Science, Patient Care, and Environmental Conservation), potential impact, risks, and approach to measuring success and progress over the 3-year fellowship
- Please describe any technical risks that might lower chances of success and what you will do to mitigate these risks. For example, "If A doesn't work, we'll do B."

2. Biosketch (2 page limit)

- Educational and professional background.
- Key accomplishments, honors and demonstrated areas of expert knowledge.
- Other background information relevant to this invention.

Note Eligibility Guidelines

Candidates must be faculty, research scientists, postdocs or other full-time staff who can receive funding through their institutions. Candidates must be no more than 10 years past receiving the terminal advanced degree in their field (M.S., Ph.D. or M.D. received on or after 2014). Please see the Moore Inventor Fellows FAQ for more information regarding candidate eligibility and exceptions.

Combine materials into one PDF, name the document YOURNAME_Moore_2024 and submit to limited@nd.edu on or before 9/12/23.
