Focus: The Federal Emergency Management Agency's (FEMA) National Earthquake Hazards Reduction Program (NEHRP) Multi-State and National Earthquake Assistance (MSNEA) grant program makes funds available to nonprofit organizations and institutions of higher education that possess the critical skills necessary to develop and implement regional (multi-state) and/or national earthquake risk mitigation activities. In accordance with this MSNEA NOFO, awardees are selected by a national review panel comprised of FEMA NEHRP subject matter experts (SMEs), who evaluate each applicant's experience, proposed work plan, deliverable schedule, anticipated outcomes and proposed budget.

Required Internal Application: Upload the following information to the Google Form -- <https://forms.gle/xaqKWQfDBDhoUzsc9> by the internal deadline.

- Name of the Principal Investigator (PI)
- Project Title
- Names of ND Collaborators
- Project Summary: A two-page summary (maximum) that aligns with the NOFO based on Appendix G, criteria 1 and 2, pages 52-53, specifically addressing the following:
 - Criteria 1: Describe your organization's experience and activity in the development, conduct, and management of earthquake risk mitigation activities.
 - Criteria 2: Describe your organization's relationship with the four NEHRP agencies, federal, state, local, tribal, and territorial emergency management programs and leadership.
